

Volunteer Confidentiality Agreement

I understand that my volunteer service provides a valuable asset and benefit to WCS and its students, but it also provides me with potential access to confidential information (student, parent, staff and donor). I agree not to access, review, disclose or use confidential information without written authorization from a school administrator.

I understand that any breach of these confidentiality requirements compromises the integrity of the school and student relationship and may result in my immediate removal as a volunteer. I also understand that even when I am no longer a volunteer with Worthington Christian Schools, any confidential information I have learned must continue to be kept confidential.

I agree to support the mission and biblical lifestyle of the Worthington Christian Schools.

I further understand that my authorization to serve as a volunteer may be ended at the discretion of the Head of School and school principal at any time if it is determined to be in the best interests of the school or the students.

It is the goal of WCS that each volunteer will have a lifestyle in which "He may have the preeminence" (Colossians 1:18).
